

PTA VOLUNTEER FORM

The Estabrook PTA is counting on you! Please consider volunteering for one or more of the many committees listed below. Whether it is a one- time event or an ongoing program, you are helping to make Estabrook a very special school. Each parent’s contribution plays a significant role in enriching our children’s lives. The following pages include descriptions for all of our committees, the time of year the event takes place and the chairperson(s) to contact for more information.

Please circle all of the committees that interest you. The chairperson(s) for that committee will contact you directly. Return this form along with your PTA Membership form and your PTA dues to the Estabrook office.
